## Fiscal Analysis

### ASSUMPTIONS:

Department of Commerce, Professional and Occupational Licensing Division:

1. There is no board or any education or testing requirements contained in SB436 and it is estimated that from 20 to 25 individuals would be registered in FY 2000. Licensing fees are \$100 per licensee and are only assessed once. There are no renewal fees.
2. The department will appoint a three member advisory panel to resolve complaints when needed and existing staff would provide administrative support. The advisory panels convened to review complaints would be volunteers and the department would incur no costs.

3. Operating costs are indirect administrative costs.
